

KEY LARGO & MONTEGO OUTDOOR GAS FIRES

MODERN, CLEAN, BEAUTIFUL FIRES!

A stunning showcase of fire, the Key Largo and Montego both feature a beautiful, glowing fire that dances atop a bed of fire glass, (surrounded by a glass guard which reflects the flame) with stunning effects.

The heart of the design is the striking 305 x 1065 mm stainless steel Crystal Fire burner. This simple, modern design will be the focal point of any outdoor living space.

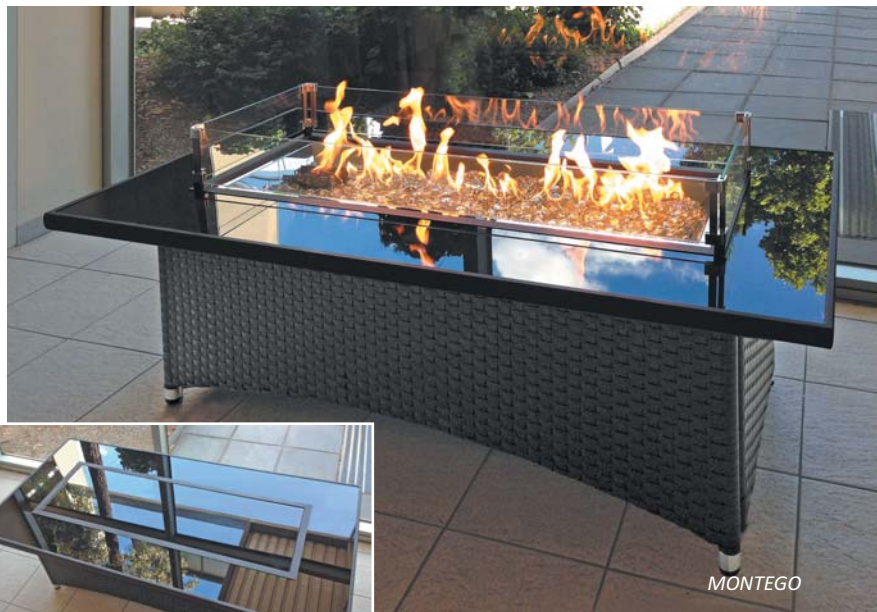

The versatile Montego comes complete with a stylish rattan table base, black glass top and a matching black glass panel to complete the table when the fire is not in use. The Key Largo comes with a stainless steel top to complement the burner and a stucco finish base.
